## **MOBILISE HR — 'THE BIG BANG...'**

Opening a new venue? Have to recruit and manage a new team? Whatever the size of the task we have a team of expert HR professionals available to manage and support your business throughout the project, from mobilisation to opening and beyond.

Providing you with the necessary resources, support, advice and guidance to achieve your objectives. We work with internal teams, including HR, to ensure that maximum commercial value is delivered to your business at critical points. For completely new ventures with little or no internal resources, Handover HR can deliver and ensure the ongoing success of your business in terms of your people strategy.

Our 'Big Bang' product can be tailored to suit your requirements.

### **Case study**

In March 2007, Handover HR was awarded the HR contract to mobilise Levy Restaurants at the O2 Arena London with 13 weeks to opening. The project included:

- Defining the scope of the project.
- Creating & managing the HR Mobilisation Project Plan.
- Providing an Interim HR Director role.
- Manpower Planning, with organisational structure & guidance.
- Recruiting 1000+ staff (including 30 salaried managers) with no agency fees.
- Implementing a fully outsourced HR Department, dealing with all day to day transactional activities.
