HR OUTSOURCING

Handover HR specialise in providing a range of outsourcing options for your business. Outsourcing provides you with time to focus on your core business activities, whilst we handle your HR and people issues from cradle to grave.

A hands on practical outsourcing solution saves you time so you can concentrate on running your business.

Your HR Director

Your HR Director provides a dedicated employment relations helpline with the added benefit of any letters or communication appertaining to the calls made to the Helpline being produced for you, this could include:

- Absence management
- Disciplining staff
- Handling grievances
- Dismissals
- Resignations & exit interviews
